"	" " var.	3½ in. pots	2.25	18.50

Varieties marked S. are from seedling beds, and those marked T. have been transplanted.

COAST GROWN SEEDLINGS.

With the exception of the Pear, we grow our Seedlings near Portland, without irrigation, as we believe that stocks so grown are much less liable to develop root knot. The French Pear we bought purposely to supply our customers for other Seedlings and orders for them are booked conditional on delivery of our orders as booked.

	Grade	
Apple, French Crab	#1, 3/16 inch & up	$10.00 per 1000
